

## Sunday Service: May 24, 2020 – Pentecost Sunday

---

### *"A Breath of Fresh Air"*

Sounds like the first Pentecost was kind of scary: violent winds and tongues of fire! Sometimes the winds of change are scary but they can also lead to necessary shifts in thinking and behavior!

God's people have always had to adapt as the world changes around them. But riding on those winds of change is the Holy Spirit, guiding and empowering those seeking to remain faithful when "business as usual" is no longer the case.

*"Amidst a time of planetary change and disruption, we envision a recovery of our deep connection to each other and our world, led by Christian and other spiritual movements that are freeing leaders and communities to overcome dehumanizing systems of oppression and cooperate in the transforming work of Love." — Center for Action and Contemplation*

*“I see the world being slowly transformed into a wilderness; I hear the approaching thunder that, one day, will destroy us too. I feel the suffering of millions. And yet, when I look up at the sky, I somehow feel that everything will change for the better, that this cruelty too shall end, that peace and tranquility will return once more.” — Anne Frank*

- **Confessional Prayer:** (spoken in unison)  
Lord,  
Enlighten what is dark in me,  
Strengthen what is weak in me,

And lastly,  
resurrect whatever peace and love has died in me.

## 2. HEARING GOD’S WORD

- **Scripture:** Acts 2:1-18  
2:1 When the day of Pentecost had come, they were all together in one place.  
2:2 And suddenly from heaven there came a sound like the rush of a violent wind, and it filled the entire house where they were sitting.  
2:3 Divided tongues, as of fire, appeared among them, and a tongue rested on each of them.  
2:4 All of them were filled with the Holy Spirit and began to speak in other languages, as the Spirit gave them ability.  
2:5 Now there were devout Jews from every nation under heaven living in Jerusalem.  
2:6 And at this sound the crowd gathered and was bewildered, because each one heard them speaking in the native language of each.

2:7 Amazed and astonished, they asked, "Are not all these who are speaking Galileans?

2:8 And how is it that we hear, each of us, in our own native language?

2:12 All were amazed and perplexed, saying to one another, "What does this mean?"

2:16 ...this is what was spoken through the prophet Joel:

2:17 'In the last days it will be, God declares, that I will pour out my Spirit upon all flesh, and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams.

2:18 Even upon my slaves, both men and women, in those days I will pour out my Spirit; and they shall prophesy.

- **Message: "A Breath of Fresh Air"**

*"Capitalism does not permit an even flow of economic resources. With this system, a small privileged few are rich beyond conscience, and almost all others are doomed to be poor at some level. That's the way the system works. And since we know that the system will not change the rules, we are going to have to change the system."* — Martin Luther King, Jr.
